

# Powering

## Up!

*Powering up to see  
a greater Glory*

*Of His Great Love for us  
Manifested through us  
Invested in us*

*Powering up to empower Kings  
Both great and small  
It's in us  
One and all*

*Powering up to emerge into the  
masses  
First, second, and third classes  
It doesn't matter from what walk  
or type  
We just want, to impart life*

*Powering up to counsel souls  
Both young and old  
On bended knees we make our  
decree  
He grants our requests  
He hears our pleas*

*On bended knees we pray for the  
nations  
To rise up and declare His Glory  
Declaring that His Kingdom will  
Upon this earth*

*We are occupying until He comes  
He has empowered us to do great  
things*

*Upon this land we will bring  
The good news to all who will  
hear,  
His voice through us  
Oh, He will appear!*

*So let us rise to the occasion  
In everything we do  
To the glory of God!*

*Let us mount up with wings like  
the Eagles  
Reaching the high places of our  
destiny  
That set place He has ordained for  
me  
Helping others to be free  
Through this "Perfect Man  
Ministry" (POWER~UP!)*
